Supporting Evidence: On December 6, 2005, Ms. Gilmour admitted to the U.S. Probation Office having used marijuana on November 24, 2005. She submitted a presumptive positive UA on November 28, 2005.

U.S. Probation Officer Action:

Ms. Gilmour was confronted on the positive test and she admitted to having used on Thanksgiving Day after her father brought the marijuana into the home. Ms. Gilmour seems to have good insight into her relapse and reported that she told her father he was no longer welcomed into her home. The defendant is early in her sobriety and supervision. She has made good progress in many areas, including enrolling in school and living independently. This relapse will be dealt with through the defendant's substance abuse treatment program and monitoring by the U.S. Probation Office.

Respectfully submitted,
